Patent Office's Reasons for Allowability

COMES NOW the Patent Office, by Patent Office and indicates at least a reason for allowability of this Application: to with that the Prior Art neither teaches nor suggests the combination of steps which includes the formation of a plated film formed on a surface of foil provided with a mask comprising the steps of covering the foil with a clamper so as to cover exposed portions of the surface, injecting a plating fluid into the interior of the clamper and forming a plating film on the surface of the conductive foil at the exposed portions formed by the mask.

Furthermore the Patent Office Saith not.

Any inquiry concerning this communication should be directed to C. J. Arbes at telephone number (703)308-1857.
